

# Portable Infobox CSS Clean Selectors

## Common.css or Wikia.css

```
@import
url("/load.php?mode=articles&articles=MediaWiki:Themes.css&only=styles");
```

## Boilerplate clean Themes.css

```
.portable-infobox {
    /* All PIs */
}

.portable-infobox.pi-europa {
    /* All PIs that take Europa into account */
}

.portable-infobox:not(.pi-europa) {
    /* All PIs that DON'T take Europa into account */
}

.portable-infobox.pi-theme-whatever {
    /* All PIs (Europa or not) using theme=whatever */
}

.portable-infobox > :first-child {
    /* The first element. Incredibly useful if you're rounding corners. */
}

.portable-infobox > :last-child {
    /* The last element. Incredibly useful if you're rounding corners. */
}

.portable-infobox .pi-item-spacing {
    /* The padding around titles, captions, data, headers, and navigation. */
}

.portable-infobox .pi-item {
    /* A row. */
}

.portable-infobox .pi-border-color {
    /* The separator between data and groups. */
}

.portable-infobox .pi-font {
    /* The font of data values. */
}

.portable-infobox .pi-secondary-font {
    /* The font of labels, headers, and navigation. */
}

.portable-infobox .pi-background {
    /* The background underneath the entire infobox. */
}
```

```

}
.portable-infobox .pi-secondary-background {
  /* The background behind headers and navigation. */
  /* These are often centered and a light color text on a dark background.
Best to put those values here. */
}

.portable-infobox .pi-data-label {
  /* All data labels */
  /* pi-secondary-font */
}

.portable-infobox .pi-data-value {
  /* All data values */
  /* pi-font */
}

.portable-infobox .pi-data {
  /* All data rows */
  /* pi-item pi-item-spacing pi-border-color */
}

.portable-infobox .pi-data .pi-data-label {
  /* Vertical item labels */
  /* pi-data-label pi-secondary-font */
}

.portable-infobox .pi-data .pi-data-value {
  /* Vertical item values */
  /* pi-data-value pi-font */
}

.portable-infobox .pi-data .pi-data-value:only-child {
  /* Data values where there is no label */
  /* pi-data-value pi-font */
}

.portable-infobox .pi-horizontal-group-item.pi-data-label {
  /* Horizontal item labels */
  /* pi-data-label pi-secondary-font pi-border-color pi-item-spacing */
}

.portable-infobox .pi-horizontal-group-item.pi-data-value {
  /* Horizontal item values */
  /* pi-data-value pi-font pi-border-color pi-item-spacing */
}

.portable-infobox .pi-title {
  /* pi-item pi-item-spacing */
}

```

```

.portable-infobox .pi-image {
  /* pi-item */
}

.portable-infobox .pi-img-thumbnail {
  /* The actual render */
  height: auto;
  width: 100%;
  max-width: 400px; /* Use when you want to put a limit to how far it can
scale up. */
}

.portable-infobox .pi-group {
  /* pi-item pi-border-color */
}

.portable-infobox .pi-group {
  /* Vertical groups */
  /* pi-item pi-border-color */
}

}

.portable-infobox .pi-horizontal-group {
  /* Horizontal groups */
}

}

.portable-infobox .pi-header {
  /* All headers */
  /* pi-secondary-font pi-secondary-background pi-item-spacing */
}

}

.portable-infobox .pi-header {
  /* Vertical group headers */
  /* pi-secondary-font pi-secondary-background pi-item-spacing */
}

}

.portable-infobox .pi-horizontal-group .pi-header {
  /* Horizontal group headers */
  /* pi-header pi-secondary-font pi-secondary-background pi-item-spacing */
}

}

.portable-infobox .pi-navigation {

```

```
/* pi-item-spacing pi-secondary-background pi-secondary-font */  
}
```

## Classes in PI elements

```
<infobox>: portable-infobox pi-background pi-theme-wikia pi-layout-default
